

Don't' Let Mother Nature Throw You A Curveball!

Learn how to keep your business "in business" at our South Florida Business Continuity event

That time of the year is approaching again in South Florida ... *Hurricane Season*. We have been fortunate to have dodged a few "pitches" from Mother Nature over the past few years. The average hurricane season has 9 to 12 named storms of which 5 to 7 reach hurricane strength and 1 to 3 are major hurricanes. As the start of the 2011 Hurricane Season approaches, **NOW** is the time for preparation. Is your business ready? Come and see what technologies can be leveraged to keep you "in business."

LAN Infotech will be joined by several key technology vendors. You will enjoy a Solution based presentation along with an opportunity to meet with these vendors at our event.

This event will include Food, Drinks, Parking, and a Baseball Game: Florida Marlins versus Philadelphia Phillies. This is certainly an event you don't want to miss!

Space for this event is limited so reserve your spot now!

When: **May 10th, 2011**

Event: **4:00pm – 7:00pm**

Game: **7:05pm – 9:00pm**

Where: **Sun Life Stadium
2269 Dan Marino Blvd.
Miami, FL 33056**
