

Grant Intelligence Funding Team (GIFT)

- **Consultation**

We offer FREE consultations to discuss your mission and explore funding opportunities! Our team will research and identify possible grant funding leads.

- **Grant Search**

We'll zero in on opportunities best suited for your organization. This includes a search of more than 140,000 current grantmakers!

- **Recommendation**

Our team can help determine which grants are the most appropriate and advise your organization while you actively pursue the funding you need.

- **LinkedIn Training**

If our staff is available, we will train your Executive team & Board members for free! Why? Because the best way for you to connect to a funder, is LinkedIn.

As a healthcare, educational institution or non-profit organization, you know the value of government and private grants.

As funding opportunities are drastically changing, there's never been a better time to re-evaluate current awards and discover new grant sources.

With more than 140,000 US Foundations in existence, locating and applying for the right one can be a daunting and time-consuming task.

The challenge is finding a grant that applies to your specific project and perhaps even more difficult, organizing deadlines to ensure funding opportunities are not missed.

LAN InfoTech's Grant Intelligence Funding Team (GIFT) takes the guesswork out of this complex process and can help speed your way to success.
